

# MolarMan and the MolarMobile!

MolarMan travels to schools in the MolarMobile and teaches kids how to fight tooth decay. MolarMan loves toothbrushes and takes one with him wherever he goes. Your toothbrush is your tooth's best friend because a clean tooth can't get tooth decay!

## Coloring Contest Entry

If you win the Contest, which MolarMan item would you like?

Circle one: T-shirt, DVD, Coloring Book, Dental Health Kit.
